Headteacher: Mrs K McMullan

Dear Parents,

We allow children in Year Five and Six to have the opportunity to walk home alone from school. This is at the discretion of every parent. We recommend that children below Year 5/6 do not walk home alone and that parents speak to their children about the safety aspects of walking home alone. We will keep a record in the classroom of those children who are allowed to do so.

Please indicate below if you are happy for your child to walk home alone.

If you have any concerns about this matter, please do not hesitate to contact me.
Yours sincerely,

K. McMullan

Mrs K McMullan
