Library

Our school library is well-stocked with riveting reads for all ages. We will soon be celebrating each year group’s top borrowers so please encourage your child to use the school library and make sure any books borrowed are returned. Please check at home as we have a large number of overdue books! Can the children please ensure the library is looked after carefully and kept tidy.

Milano Team Trio Competition

Yesterday, we took 3 teams to the Milano Team Trio competition at The University of Cumbria. All three teams performed wonderfully and did the school proud. The U11 girls team (Naomi Ward, Virginia Walker-Clark, Grace Hodgkinson and Emily Hodgkinson) were placed second and the U11 mixed team (Chloe Jessamine, James Clark and Amy Gilbertson) won gold! Both teams will go on to represent the north at the National Finals in Stoke-on-Trent in March. Well done gymnasts!

Eden Rock Climbing Competition

Twelve children took part in the inaugural Eden Rock climbing competition. Stanwix took a team of boys and a mixed team to compete against other schools. A great afternoon was had by all attempting to climb to the top of each route. The mixed squad came a very respectable 2nd, with the boys team winning their competition. We hope to offer more children the opportunity to climb in the future and take part in this great sport.

Year 6 boys inter school football Comp. We had an enjoyable day. The boys played well, they won 6-0, 3-0 and 7-1, narrowly losing one game 1-0 to Lochmaben. Unfortunately, we didn’t progress further to the next phase. Well done ‘the lads’!

Carlisle United 6 a side Competition

What a fabulous afternoon we had on Thursday! Winning 3 games and drawing 1 to proceed through to the afternoon final against Kingmoor. We dominated the final to come out winners 5-1 and to go through to the main final V Nelson Thomlinson at Brunton Park on Saturday 31st January. Well done Yr 6 boys and Good Luck in the regional final to represent Carlisle United.

FOSs

Please check out the updated page about FoSS on the school website. It contains information on what we do, minutes of meetings and how to get in touch. It can be accessed via the Home tab.

Just a Reminder!

To check which sessions have been booked for Wraparound Care, and to avoid “double booking”, choose the “My Wise Account” tab at the top right hand side. Then select the “Payments Made” tab followed by the “Payment Breakdown” button on the left hand side. This will show the dates booked, and any trips etc paid too.
UP TO 35% OFF
