28th January 2015

Dear Parents

**Year 6 - Visit to Life Museum, Newcastle.**

In support of the school’s science week, Year 6 will be visiting the Life Museum in Newcastle on Friday 13th March 2015.

They will take part in one workshop; for some children they will be focusing on chemical changes and for others irreversible changes. These workshops will enable the children to develop their understanding and interest in these topics further, using resources that are not available in the classroom environment. The children will also have an opportunity to look around the Life Museum.

Children will need to be at school by 8.30am and we will leave school at 8.45am and should return by 4.00pm, traffic permitting.

Children will need to wear school uniform and should bring a packed lunch (no glass bottles or fizzy drinks).

The cost of the trip, including the coach and one workshop, is £9.10. Please pay by Wisepay and if you tick the permission box online no permission slip is required. If payment is an issue please do not hesitate to contact the school.

Yours sincerely

Miss M Harkins & Mrs Wilson.
